

GONZALEZ FAMILY Missionaries to Romania

News Letter — June 2011

We had the satisfaction to attend our daughter's, Debora Dalila, Graduation with her Bachelors of Science in Psychology. She will continue her studies in the Masters of Arts in Professional Counseling program. Debora was accepted as a Graduate Student Assistant for the Education Department at Liberty University.

We have returned to Romania after having visited El Salvador and the U.S. in furlough. During the time spent there, we undertook activities such as visiting friends and family members, as well as ministering to different congregations. (See pictures of some of these activities)

On our trip back home, our daughter Debby accompanied us back to Romania, considering that she has to petition for a renewal of her student visa. Please be praying for her student visa F1 process and for her success in this new stage of her life.

Ruben and Lilian Elisa will spend their summer break in the U.S. Ruben will be working at the University and Elisa at a summer camp in Chesapeake, Virginia. Ruben finished his first year of college and Elisa her second year.

Prayer requests:

- 1 – For the return of Gabriel Vasileniuc, our national missionary, and his family, to their ministry in the northeast of Romania, bordering the Republic of Moldova and Ukraine. They need your support to reach a monthly amount of \$500. (See the pictures of their children on the right)
- 2 – For the arrival to Romania during the month of July of our missionary colleagues, Doug and Camelia Howey, who will be joining our team.
- 3 – For wisdom in making important decisions within the following days: changing houses, a gathering site for the church and the expansion of our ministry.

Thank you for your prayers and support.
God bless each one of you!

Dario and Dalila

Emi, the son of our missionaries to Moldova, got the first place in first grade class.

This is a great reward for Dalila, my wife, who was helping him out with the homework's and schooling expenses.

Please, pray for these children. They are preparing to leave with their parents to the mission field in Moldova. (Northeast of Romania)
